
Erratum

We regret that an error occurred on the Contents page (page 33) of the June 2011 issue (Vol. 17 No. 2) of the *SAJP*. The author of the editorial entitled 'Psychotherapy in psychiatry: Reality, delusion or relic?' was incorrectly given as Werdie van Staden, whereas he was in fact M W Böhmer. We apologise for the error. The online text was corrected shortly after publication of the journal.
